

SPECIFICATION > Refined elegance is imbued in this double cylindrical pendant. The inner opal acrylic diffuser achieves a soft, even illumination, while the clear acrylic outer element adds a sophisticated decorative effect. Natural satin aluminum housing with minimal lens attachment points offers a clean, modern balance for any interior application.

APPLICATIONS > Hospitality, Corporate Offices, Residential, Retail, Restaurant and Entertainment Venues.

LED > PAR30S COB LED E26 medium base bulb (installed) specific for full enclosures. Choose standard bulb (contact factory with desired lumens/wattage) or a Circadian-Safe™ emission bulb to achieve the highest CRI available. Additional beam angles may be available, contact factory.

27CS = 2700°K, 14W, 92+ CRI, 60° beam, 1190 lumens, T24/JA8 compliant, L70 @ 35,000hr
 30CS = 3000°K, 14W, 92+ CRI, 60° beam, 1230 lumens, T24/JA8 compliant, L70 @ 35,000hr

OUTPUT > 14 watts.

CONSTRUCTION > 17" overall height. 8" diameter. Aluminum housing portion is 6" high. Fixture is hardwired. All electrical components are installed, wired and 100% tested prior to shipping.

POWER > Single power drop. Choose [CS4] for standard suspension: 4ft stainless steel aircraft cable, black powercord and white canopy.

Choose [MS_] for upgraded suspension with braided metallic powercord and matching silver canopy. Enter custom power cable length.

Choose [ST_] for 3/8" diameter white Rigid Stem with matching white canopy. Enter a custom stem length.

RATED > Suitable for Dry/Damp location.

WARRANTY > 5 years.
